Department of Chemical Engineering

Report on Kreedostav-2022

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized department tournaments for students. Total of 23 students were participated in games like Carroms and Chess.
