A session for Development of Communication skills - Group Discussion on “**Examinations has it killed the education system**” was conducted on the 10th of April 2021 at the Seminar hall, Department of Chemical Engineering by Dr. P.Prasanna Kumari, Assistant professor, Department of English, ANITS as a resource person. The session was attended by 100 students from final and Pre-final year of B.Tech Chemical Engineering. The motive of the session was to conduct a group discussion among the students, to observe their personality and skills, ability to discuss on the given subject and to guide them on how to take part in Group Discussions. The session opened with the ‘Self Introduction’ of students. Continuing with the training, Dr. P.Prasanna Kumari gave a topic to the students to involve into group discussion. The topic given was “**Examinations has it killed the education system**” The students were given 2 minutes to think over the topic before beginning with the discussion. The group discussion lasted for about 35-40 minutes. Dr. P.Prasanna Kumari suggested students to use quotes, facts, figures, definitions, statistics, shocking statements, short story or general statement in the discussion. She gave hints on how to enter a GD midway and ideas to silent members on how to enter a GD. She also gave importance on the non-verbal communication i.e. body language by which attitudes and feelings are communicated. Lastly She tried to draw attention of the students to summarize and conclude the GD highlighting all the important points’ discussed by the group. Concluding the session Dr. P.Prasanna Kumari advised the students to read newspapers and enlist three local, national and global news each which shall help them to be aware of the current news in the world.
